

OMNI SOURCE LLC is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB) focused on sourcing and distributing commercial products for Federal, DoD, VA, state, and local government customers. The company develops solicitation-specific supplier channels to support competitive pricing, compliance, and nationwide fulfillment.

CORE CAPABILITIES

- Government-focused product sourcing, quotation development, resale, and distribution.
- Facilities, MRO, building materials, plumbing, HVAC, waterworks, industrial, and related supply sourcing.
- Office, IT peripherals, communications, safety/PPE, and general commercial-product procurement.
- Supplier coordination for pricing, availability, lead times, warranty terms, freight, and fulfillment.
- Solicitation-specific review of country-of-origin, Buy American/TAA, Section 889, and stated compliance requirements.
- Nationwide fulfillment coordination for Federal and state/local delivery locations.

SUPPLIER & DISTRIBUTION STRATEGY

Omni Source sources through manufacturers, authorized dealers, wholesalers, and established commercial distributors on a requirement-by-requirement basis. We prioritize accessible supply channels, competitive commercial pricing, traceability, and realistic delivery. Omni Source does not represent itself as an authorized distributor unless formal authorization has been established.

BUSINESS & MANAGEMENT EXPERIENCE

Omni Source LLC was established in 2025. Owner Christian Mairena brings nine years of prior business ownership experience through CA Enterprises Group, Inc. Omni Source is developing its own government-contract performance record and does not present prior-company work as Omni Source past performance.

CUSTOMER FOCUS

Federal agencies • Department of Defense • Department of Veterans Affairs
 State and local government buyers • Public-sector procurement teams
